Layer Season 2  
32. Honda's time ability

...Mia...

...Yeah,  
Mina's sure!

This is  
probably...

in Layer...  
right...?

Probably...?

Everyone has  
stopped moving...

and also,  
up there...

These things shouldn't  
be in the reality right...?

So this must be Hanna  
and's true ability that I've  
been fearing about...

"I've been in Layer for a long time, and met many players during that time, but it was the first time meeting a time-related ability user."

"The ability not only affects herself, but the people around her, too."

Me being able to move while  
everyone has stopped.

is it because I was the closest one  
to her when she used her ability...?

Ah...! Mia,  
look over  
there...!

Ah...!

Over there...  
that's Lilac  
isn't it?

You're right...!  
It's my brother...!

Huh...? This one  
next to him... isn't  
that Higo-Jin?

Was Higo-Jin  
a plus...?

Well... I'm not too  
sure, but he must be...

Really? But what  
is he doing with  
Lilac over there?

LILAC....!  
LILAC!!!!

JUNG HYU-  
JAE!! CAN YOU  
HEAR ME!!

GUYS...!

Silence

...!!

...!!

Ah... It's no good... They are probably frozen as well.

Eh

I thought they might be able to move since they're pluses... What should we do...?

This? happened... because of my ability... right...?

Most like...ly?

But what should I do...

I don't know how... to stop it...!

!!

But... but before,  
Borei umi's gang  
said this

While they had protected  
you for a while, it wasn't hard  
passed in reality...!

Since I'm here, don't  
worry about it! We can  
just return to reality...!

If we can, then  
it's alright...

But before, every other  
pieces were able to move,  
so no-one actually noticed  
anything...

We only noticed the  
time gap when we  
returned to reality...

Also, it's strange for  
everyone here to be  
in Layer...!

Ms... is this really  
the Layer?

Or maybe... could  
this be the reality?

Layer Season 2

33. Question

•Layers Season 1 chapter 9

The "Fast Saving" ability  
Her agency used...

*But all I can do  
is transfer to  
'Layer'...*

*There should be only one  
person able to use 'Past  
seeing', and that user is  
part of the agency*

*So does one of these two  
have the ability 'Past  
Seeing'?*

*No, if they did, they should  
have been able to see the  
past me, and I shouldn't be  
able to see them...*

*Ah, they're  
moving*

*I can only follow  
them for now...*

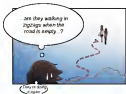

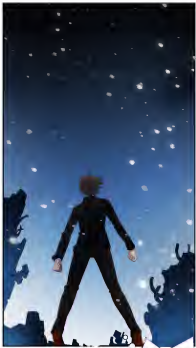

But...

why

**NOTHING'S  
THERE!!**

I don't get it

is there something that  
only they can see?

..!!

What...?

There's nothing  
in the sky...

and there are no  
cracks on the pavement  
nor any rubble!

That the one who  
attacked me ...

How did Lilac's so called  
friend, and the buildings he  
lifted using railguns?

get transformed  
to the Knight?

Even if he transformed with his own  
strength, there's no way he could  
have carried the buildings as well?

Someone must've  
transformed him like  
I did with Liac.

And that's why all the things  
under his poltergeist were  
doubled and sent to Koolha.

Then who did it?

It's not them, two

If it was them,  
the sky wouldn't  
be empty

I can't touch them,  
but I can at least  
see them...

And he's too dangerous  
to be approached and  
transferred by contact...

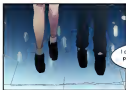

Then the only re-  
maining one is...

The person who can use a  
Large Scale Transfer  
without actually coming into  
contact with others...

Somi...!!

I can't believe that happened while I was unconscious...

So you're saying that this feels like the Reality

and that we should go back to Layer right?

Yes

... But Ma-

If we do go to Layer  
then come back to  
Reality like what you  
suggested,

time would flow  
normally again,  
but...

what about the  
people here?

Just like how  
Junho was in  
danger.

wouldn't these  
people be in danger  
as well?

I...  
... hadn't thought  
of that.

It's not only limited to  
these people...

You've seen  
them just now  
as well.

What about Lina  
and Hyo-Aoi,  
in mid-air?

Since this is the  
reality, they would  
be powerless and  
just fall to the  
ground.

Mia, I... don't think  
transforming would  
be a good idea.

Ah, it's impossible to  
live here in this area  
freely though.

Layer Season 2  
34. Reality and layer

So? Where's  
Director Lee?

She is on her  
way here.

If something like that  
happened, then she  
should've reported it  
straight way

She said that it would be better if  
she saw you in person so ...

It does me no good if  
she reports to me after it  
is broadcasted first!

I already have the report  
from here, so do you want  
to take a look at it before  
she arrives?

WHAT??

IF YOU HAD  
SOMETHING LIKE  
THAT, THEN YOU  
SHOULD'VE SOLD  
ME EARLIER!

Layer Project

The project which aims to transfer  
limitless amounts of resources from  
Layer to Knolia for the sake of  
humanity .

Skip the  
introduction...

.. Since there are no places capable  
to lift up cities, its aim is to create  
Large Area Transfer ability users.

and use them to attempt  
City Pocking..

.. After many efforts, a contact was made with the Large Area Transfer ability user Xiao Lu ..

I get that the special class and someone from the agency got hurt..!

... and due to the rampage of a monster, great damage was taken and we could only retreat

Sur? What happened to the city?

If bringing back a Large Area Transfer ability user was impossible,

then attempting a Doubling would have been best..

Wait Doubling?

Since the buildings that Lilac and  
his friend lifted up with psionics  
came to Reality...

we are assuming that  
the Large Area Transfer user  
Sami transferred everyone  
in Layer to the Reality.

...After being attacked  
by Lilac's friend I returned  
to layer...

...but in Layer, there were  
no-one left and I could only  
observe those two...

.. Following the 3 people rule, it would've  
been better if more than 3 people had  
remained in Layer and judged the situation.

but since I was by myself,  
I had no choice but to watch  
the situation from the sky.

... Then suddenly, people in  
Koolha's were transferred to  
Lager...

It seemed like Mr. Lo,  
who had sensed danger,  
transformed everyone.

What I want to hear  
about isn't about the  
transfer!

So what  
happened to  
the smoking...?

And why won't that  
light come out?

When's  
Director Lee  
coming?!

More than that,  
what happened  
to the building  
itself?

It was catastrophic to have to  
deal with something like that  
overnight!

We said that it was just  
an earthquake, but was it  
actually Doubling?

Director Lee, tell me—  
How did the Doubling go?

And the destroyed  
buildings can be recovered...  
in Layer right?

Well, as you  
can see...

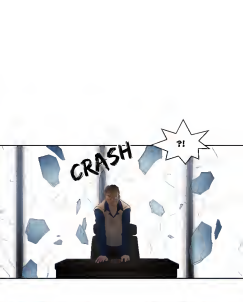

Doubling  
failed

**WHAT?!**

**HOW DARE YOU  
TELL ME THAT IT  
FAILED!**

**DO YOU EVEN  
KNOW HOW MUCH  
I INVESTED IN YOU  
SO FAR...?!**

I've been thinking  
on my way back  
here

In this anarchic situation,  
I don't need to report  
to you

Tsk Tsk.  
You still don't understand?

A Large Area Transfer user transformed everyone to Layer last night

WHOOA

DIRECTOR  
LEE!! GAVE

This is already  
in Layer

Ah, you said that  
you haven't. Snatched  
nothing yet.

*Hello to our  
viewers.*

*I am currently at the  
square of the recent  
earthquake.*

*Due to the loose rubble  
and unstable buildings,  
this place is off-limits.*

*... but most visitors' main  
concern is that something  
has yet to be done about  
this area.*

*Hey, did you  
see that photo  
on the net?*

*Some say  
that it was a  
dinosaur*

*... Meanwhile, a photo has  
been circulating on the  
net claiming to have been  
taken just before the  
area was closed off!*

*Errr, no way that it  
was a dinosaur. There are  
no dinosaurs that look  
like that.*

Can you see  
this picture?

Isn't it just  
photoshopped?

According to the  
speculation, it may  
simply be a fake

Really? I thought that it  
was real, since lots of  
people were around it

PS, and you  
believed that?  
You're too  
naïve

Next, the  
murder case

CLICK

The body has been  
damaged to the point of  
being unrecognizable...

... while some say  
it was a self  
murder attack...

Oh, you're  
here?

The government  
asked the Bureau of  
Special Cases to...

Long time no see, how's Mong Hyeung doing?

*Now, the official explanation from the Bureau of Special Cases on this matter*

Not yet.

Ah... I wonder if he's alive.

Actually, that person on the TV... I don't see that Director Lee you mentioned?

1

You're right. I know the Agency would turn out like this one day.

Working in secrecy and away from the light didn't suit that woman's ambitions.

His-

*... Did you see that picture circulating on the net?*

*Don't you think it has something to do with the murder cases?*

Well, whether the organisation is found out or not, they'll just say it's classified information.

*Who are the personnel of the Bureau of Special Cases?*

*That's classified information.*

*What personnel? She just read the business for itself.*

*See. Classified information to every question.*

THEY  
FOUND OUT  
THAT YOU'RE  
HERE?!

So the agency  
was the Bureau?

I never knew.  
They came to visit  
to recruit me.

I got their  
business  
card.

I guess so.

GRR!!

IM GUN. WHAT  
ARE YOU DOING?!  
YOU NEED TO RUN  
AWAY NOW!

There's no need to.

Since I've been here  
all this time.

Some were brought back  
from Layers— just as you  
wanted. So why are you  
trying to run away?

T. That's not it.

Even if you  
tell me that—

I know

I know that you aren't  
the one who did the  
massive transfer.

Then why...

You're asking why?  
It's quite simple.  
You watched the  
news, right?

Ah, it's on  
right now.

...including the members  
of the Division of Special  
Cases. There have already  
been 17 assassins.

Don't tell  
him...

That's right. That very  
murderer on the news is  
the Mad Rabbit.

It's quite a  
headache.

With the current situation, why don't we put the past behind us,

and find a way to survive from now on?

I'll be blunt.

We need your knowledge about how you survived in Layers for such a long time.

Go ...

come and join the special class.

Layer Season 2  
35. Layers

I'M NOT HERE! I SAW SOMEONE  
LOOKING FORTRESS...! ON THE  
SAME LEVEL AS GAKI HANA WHEN  
SHE WAS AT HER PEAK.

... I'm not sure if  
you're lying or not  
since you put it that  
way... but how?

That's

After school on  
my way home, I  
saw the rabbit...

Reminders  
start here

I lost my chance to run  
away and get back

??

You were in the  
forest? On your  
way home?

... Don't you see that I was  
lost. Don't interrupt my story

If I looked away or  
moved an inch,

it would jump at me.

The tension  
was rising

and both of us were  
unwilling to move

A girl who was walking  
by spotted us

**K

**UCH!**

The rabbit and I kept  
of each other...

**ROAR!**

at the girls  
scream

Ah, as you can see, well no, I was  
explaining wasn't I? But don't you  
think that you can just picture it?  
(The same thing with the forest  
before)

Anyhow, I was  
singing justice!

Before the rabbit  
was able to  
attack me!

I gathered all my  
strength and...

FLASH

Out of my sight!

...So what happened?  
Why did you stop there?

I... that's...

Hmm...  
So...

I... wonder what  
happened after  
that~?

A... anyways, you should  
invest her. She's strong  
enough to survive a rabbit  
attack.

I asked her to  
come here.

.. Against a rabbit? Not a  
special class member but  
a minion of that?

You probably  
have seen her  
before.

Is it true that you  
defeated the  
monster?

Err?  
No way!

I just ran away from the monster  
along 'with the oppo who was  
running away from it' as well

I didn't even know that  
he was a special class  
member .

Really? Then I  
guess you're a  
candidate for the  
special class ...

You'll get  
busted soon

Urar, ... if I do join  
the special class,

will I ... be working  
with Mito's oppai?

Mito's oppai ?  
You mean  
Urar?

... Yes!

Ah

He got expelled  
before

so I think it would  
be hard for him to  
come back

SHIT! But I heard that  
anyone who's able to  
use pollengard would  
be accepted.

*I heard it from  
the "Young"  
oppai.*

*I, stop it!*

It's true. We need people  
who're able to use  
pollengard.

But with the director's  
personality, she doesn't like  
even seeing people she had  
a bad experience with.

That guy named Junho  
was also excluded from  
the special class.

Why him as  
well?

... If the director  
saw him...

... The director is the  
highest ranked person  
at the agency isn't it?  
What did Junho do to  
the director...?

Because of him,  
the leader... no,  
at our mind

And who's his name... ?  
That friend of Lila's from  
the class before, so  
he's obviously out  
of the question.

I'm not sure who you're  
talking about. But in the  
end, they're not allowed  
because of the director

That's  
right.

What about that? She has  
that disappearing ability,  
doesn't she? 'Transfer'  
wasn't it?

And I know that the special  
class had been looking all  
over for her as well.

You... know quite  
a bit about the special  
class and pottergold.

Then,

you should know that the  
reason why some people are  
able to use pottergold and  
there are monsters roaming  
around...

Is because of Miss Li,  
right?

It's... be-  
cause of  
Mia...?

It... does.

Mia know this  
house it?

Huh? Large  
scale transfer?

What's that? I  
think I've heard of  
it a few times.

POPS

OUT.

W... what?  
When did you  
come?

Heen? Why are you so  
surprised? I was on my  
way to the music room  
and saw you two.

Mia...

Anyways, I think you  
were talking about  
transferring, but what  
was it?

Like Hyung!  
Hanna  
mama!

So you've got PE  
classes? Today's  
quite hot.

Long time  
no see,  
Junho.

Listen to this,  
Junho- Those two  
were talking about  
transfers.

but as soon as I turned up,  
they wouldn't talk about it  
anymore- (Don't you think  
that it's suspicious?)

Huh?  
Transfer?

Oppo must be telling Hanna  
until everyone all came back  
from Layard!

When it's something  
that he hasn't told even  
to his own sister!

Ha ha

... I'm not

Oh yeah! Lilao hung and Hanna nana seemed to have something good going on...

So I gave them some space...

I'll just make a narrative excuse

Oh, was that it?

Yeah, we shouldn't  
be a bother to them  
right?

Um~ but...

The two of them  
are already going  
out you know?

?!

?!

Here, I pretended not to know, but

Mr. Lee

How come you're here?

Oh the way we're going out now

Um... What aren't you talking for this matter?

Oh, I see

Oh, I see... you're talking about this

Right? I don't hear what you said... What was it?

Right, you?

It's embarrassing, I'm not at home... I just know that I didn't hear about it

I'm I WANT A GIRLFRIEND AS WELL OWNED IT IT

my character, me,  
so what can I  
do?

I have my  
reason, right?

Hee— doesn't it  
look like Junho is  
treating Mia well?

Yep

They look good  
together don't  
they? Ah

To continue  
where we  
left off

I think you're right  
about keeping it a  
secret from Mia.

Of course, Mia should've noticed from the news and rumors that this isn't the 'reality'

But since she doesn't know that it was caused by her...

I suppose you can say that it's a relief

Mia is too young to be able to handle the fact that this was caused by her.

And she doesn't know how she brought everyone here or how to return them either

I'm just concerned that no one from the special class approached Mia yet

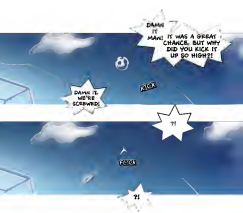

Since Junho is always by her side, she's not in danger right?

Danger – but more than Mia

Rather than Mia-?

He still thinks that he's in trouble when he's wrong power just automatically that he's not

— Look at the special class, they're just observing him and being cautious

Yeah

I think that's why they put all of us together in the same class...

THE 1 CLASS	THE 1 CLASS
ATTENDANCE	ATTENDANCE
THE 2	THE 2
CLASSES	CLASSES
THE 3	THE 3
CLASSES	CLASSES

You're probably right.

Anyway!

Won't you tell me?

Huh?

About the other Layer!  
What happened over  
there?

And how did you  
get mixed up  
with Hyo Joo?

And why did  
he lose his  
memory?

I'm  
sorry.

I'll tell you, when  
it's needed.

For now.

I'm just glad that  
I'm back.
